FIRE DEPARTMENT

To Be Organized at Windham Center were discussed in connection with es-

The district committee with the citizens of Windsam appointed to arrange for the establishment of a fire department in Windsam Center held a meeting Monday evening at the home of H. C. Lathrop. Various matters—Talk of Chemical Engine.

Talk of Chemical Engine.

Talk of Chemical Engine.

Tablishing a fire company in Windham Center.

Monday evening the committee appointed John Beckwith chief of the department and George Rood was appointed the have charge of the fire engine and see to it that it was in working condition. It was decided by the committee to hold a meeting at Schoolhouse hali Friday evening to enroll members of the company. There is a possibility that two companies may be formed, as there is talk of securing a chemical engine to add to the hand engine now owned.

Thirty or forty have signified their intention to join the new department. The hand engine that was broken because of sucking muddy water into the pumps has been repaired and is in perfect running order.

CHICKEN THIEVES

Turn Out to Be Four Young Foxes.

Frank E. Lynch of Windham has for some time been puzzled as to what or who was killing his young chickens. He determined to ascertain the cause. He watched Monday evening and was rewarded by killing four young foxes, which had apparently been getting their nightly rations from his chicken pens.

Mr. Lynch brought in the pelts of the foxes Tuesday and was given the bounty by Town Clerk Frank P. Fenton.
